

## Week of 1RYHPEHU 2024 Update

**A red flag warning has been issued for all our campuses, which means that outdoor burning of any kind is strictly prohibited until further notice. This includes D Qfills, fire pits, and anything with a flame—even cigarettes.**

**The current dry conditions and high winds make it easy for a small flame to turn into a large brush fire. Please help us keep our community safe by adhering to this ban.**

**Thank you for your cooperation in keeping our community and campus safe.**
